The **DISCOVER EXCELLENCE** workshop is an introduction to the Shingo Model. You will learn from a variety of resources including case studies, videos from Shingo Award winning organisations, feedback from host personnel, and a GEMBA visit.

WHY ATTEND?

In this 2 day workshop you will learn how to move from a tools based approach to a sustainable principle based approach to improvement using the Shingo Model. DISCOVER EXCELLENCE is a foundational two-day workshop that introduces the Shingo Model, with real-time discussions and on-site learning from a host organisation. This program is a highly interactive experience designed to make your learning meaningful and immediately applicable.

AT THE WORKSHOP PARTICIPANTS WILL BE ABLE TO:

- Describe the benefits of focusing on Shingo principles.
- Articulate principle-driven behaviour.
- Identify how tools link to systems.
- See and assess behaviour to provide constructive feedback.
- Explore what adjustments could be made to improve systems in driving ideal behaviour for world class results.
