# SHINGO WORKSHOP

## DISCOVER EXCELLENCE

€1150

### WHY ATTEND?

The first thing to do is to find out what Shingo is about and whether it will help you in your improvement journey. By way of introduction to this you might find the webinar by Prof. Peter Hines useful.

The first port of call after this is to attend a Shingo Discover Excellence course. This two-day workshop introduces the Shingo Model™, the Guiding Principles and the Three Insights to Enterprise Excellence™. With real-time discussions and on-site learning at a host organization, this programme is a highly interactive experience. It is designed to make your learning meaningful and immediately applicable as you learn how to release the latent potential in your organization and achieve enterprise excellence.

### AT THE WORKSHOP PARTICIPANTS WILL BE ABLE TO:

- ▶ As a DISCOVER participant, you will.
- ▶ LEARN and understand the *Shingo Model*.
- ▶ DISCOVER the Three Insights of Enterprise Excellence™.
- ▶ EXPLORE how the Guiding Principles inform ideal behaviours that ultimately lead to sustainable results.
- ▶ UNDERSTAND the behavioural assessment process through an interactive case study and on-site learning.
- ▶ APPLY your learning with a call to action.
