

POSITION DESCRIPTION

CONSULTANT

SUMMARY

We are looking for candidates who have a passion for improvement and enjoy working with individuals and organisations to deliver a positive and sustainable impact. Ideal for those with a little change-agent experience who are looking to develop themselves into a consulting role.

The ideal applicant will have some demonstrable understanding of continuous improvement methodologies such as Lean or Six Sigma, or Agile and some knowledge in project management (Green Belt tools or leadership equivalents). We are looking for someone who will become a valued member of our team and will build long term relationships with our clients and continue to grow themselves and our offering into the future (training will be given).

KEY RESPONSIBILITIES

- ▶ Managing individual work streams within an account team that deliver exceptional value to our clients.
- ▶ Delivering awareness training in a range of areas including white, yellow and green belt courses, leadership essentials and digital mapping.
- ▶ Coaching and mentoring of client teams through their learning journeys
- ▶ Client programme analytics
- ▶ Practise development – integrating with all aspects of our Enterprise Excellence model
- ▶ Gain an understanding of consulting services we offer to our clients both digitally and in person
- ▶ Work on your continuing personal development
- ▶ Collaborate with others internally to support company business initiatives
- ▶ Participate in cross-company working teams that focus on the development of the business.
- ▶ Manage project teams and personal development plans as required.

SKILLS AND ATTRIBUTES

- ▶ Builds trusting, supportive relationships with clients and colleagues and can facilitate capability development in others within those clients at front line and supervisory level of organisations
- ▶ Has an understanding and knowledge of how 'ideal behaviours' contribute to transformation
- ▶ Leads others by knowing how to get the best out of people. Gives useful, timely and constructive feedback
- ▶ Excellent communication, facilitation, and presentation skills both virtually and in person
- ▶ Curious, creative, collaborative, and credible
- ▶ Works well as an individual or as part of a team within a client
- ▶ Lean or six sigma problem solving and improvement capability including logical reasoning, creative thinking, and the ability to think on their feet

KEY REQUIREMENTS

- ▶ A minimum of 3 years experience in Lean and/or project management
- ▶ A Degree or Equivalent
- ▶ Freedom to travel globally and a full driving license

SALARY & BENEFITS

We have a great team environment and have recently been awarded the Investors in People Gold Award recognizing the attention we give in our business to developing talented people and creating a supportive, inclusive culture. This role also includes:

- ▶ Competitive salary commensurate with experience
- ▶ Healthcare & Dental Insurance
- ▶ Above average holiday allowance
- ▶ Flexible working

POSITION DESCRIPTION

CONSULTANT
